

# Noah's Puppy Vaccination Packages

The Ark is happy to provide **Total Health Care** for your puppy's first year of life. Your new puppy will receive the following features :-

- A full clinical examination as soon as you have collected your new puppy – **free of charge**
- A **FULL COURSE of PUPPY VACCINATIONS**  
- 2 vaccinations given 2 weeks apart
- An initial worming dose and flea treatment
- 4 weeks **FREE** pet insurance with PETPLAN
- A voucher for a **FREE** bag of ROYAL CANIN PUPPY FOOD
- A voucher for an ADAPTIL collar to help settle your puppy into his/her new home
- An offer to join our prestigious puppy parties and 6 week puppy socialisation courses - **ONLY** available to Ark clients and run here at our surgery
- A **10%** discount voucher for neutering
- A **FREE** 6 month check up with our qualified nurses
- **FREE** nurse clinics and telephone advice - so that you can discuss all those little matters that might worry you as your puppy grows up - such as, weight control, worming, castration / speying, behaviour, house training etc

**Remember - all this for £ 90.00 incl VAT**  
**- a saving of over £ 65.00 if priced individually**

#### Terms & conditions.

1. Package applies to the registered puppy / kitten only and is not transferable.
2. The package applies to puppies & kitten aged 6months and under only.
3. Vaccinations exclude kennel cough and rabies
4. Flea and worming treatment included in the package is at the discretion of the practice. Alternatives requested will incur an additional fee
5. Neutering **MUST** be undertaken within 12months of joining the scheme with the 10% neutering discount applicable to the standard surgical fee of neutering only. Additional fee will be charged at normal rates / costs.
6. Refunds will not be given for any part of the package not taken
7. Free nurse consultations apply to weight, dental, flea and worming advice only
